

Math Circle Institute: July 5th – 9th, 2010

During the week of July 5th through 9th, students in 1st through 12th grade have the opportunity to attend a free Math Circle Institute at Notre Dame. Mathematicians and teachers are coming from around the country to learn how to provide students with an exciting enrichment math program. Students will participate in demonstration classes in the afternoons during this institute.

Times: The Math Circle Institute meets from 3:15 to 4:30 PM each afternoon.

Students: Students should be in 1st through 12th grade and should be eager for a fun and challenging math program.

Food: Snacks will be provided.

Location: The Math Circle Institute will meet on the campus of Notre Dame in Jordan Hall of Science, rooms 215 and 216.

Classes: Students will be divided into classes by age level.

Registering: To register for the class, please contact Amanda Serenevy by July 1st by email: amanda@riverbendmath.org or cell phone: (574) 339-9111.

Permission Forms: To participate, students must have a completed and signed Health Information Form and Waiver. To obtain these, contact Amanda using the information below. Please send completed forms to the address below by July 1st, 2010.

Riverbend Community Math Center
1021 Queensboro
Mishawaka, IN 46544

Contact: If you have questions or need to reach us before or during the sessions, feel free to call Amanda Serenevy at (574) 339-9111.
