Spring 2023

February 8 - May 3

Wednesdays 5 - 6pm

ABOUT

Math Circles are programs for students who love math and want a challenge.

Students should have long attention spans and should be eager to have a discussion about mathematical ideas with like-minded peers.

Birman Math Circle

Typical Ages: 4-5 years old

Galois Math Circle

Typical Ages: 1st - 2nd grade students

Germain Math Circle

Typical Ages: 3rd - 5th grade students

Wiles Math Circle

Typical Ages: 6th - 12th grade students
