

Spring 2020 Riverbend Math Circles at Notre Dame

Do you love math? Would you like an extra challenge? Math Circles are for students with long attention spans who enjoy tackling interesting questions. Students will learn to collaborate with others while developing and defending their mathematical ideas. During the final week of the semester, students will make and present posters to their families to showcase what they have learned.

To register for a Spring Math Circle, please complete the registration form at <https://forms.gle/12PEAVN3qJTbv61J8>

For more information, contact Amanda Serenevy at hello@riverbendmath.org or call (574) 222-1515.

Galois Math Circle

The Galois Math Circle is for 4–7 year olds who have not yet learned multiplication. The Galois Math Circle will meet the following Wednesdays from 5:30 to 6:30 p.m. in Pasquerilla Center rooms 107 and 109 on the Notre Dame campus.

January: 29 **February:** 5, 12, 19, 26 **March:** 4, 18, 25 **April:** 1, 15, 22, 29

Germain Math Circle

The Germain Math Circle is for 8–11 year olds who know multiplication, but who have not yet started algebra. The Germain Math Circle will meet the following Wednesdays from 5:30 to 6:30 p.m. in Pasquerilla Center room 114 on the Notre Dame campus.

January: 29 **February:** 5, 12, 19, 26 **March:** 4, 18, 25 **April:** 1, 15, 22, 29

Euler Math Circle

The Euler Math Circle is for 11–18 year olds who are taking or who have completed Algebra. We will meet the following Fridays from 5 to 6:30 in the Math Department common room on the second floor of Hurley Hall on the Notre Dame campus.

January: 24, 31 **February:** 7, 14, 21, 28 **March:** 6, 20, 27 **April:** 17, 24 **May:** 1, 8, 15
