

Name: _____

Date: _____

Weekly Learning Track

Use the other side of this sheet to track your work. Color in the stars you earn in each category from the bottom to the top. If you fill in anything in the top level of the chart, you went “above and beyond” this week!

Beginning of Week Goal Setting

- What is your personal math goal for this week?

End of Week Reflection

- What math concept or skill do you understand better now because of your work this week?

Wrangle

Skill Practice

Quizzes

Enrichment
