

# Prototyping Team — Summer 2025

The Prototyping Team is for self-directed students who brainstorm, design, produce, and refine hands-on activities for our STEM outreach programs. Team members will learn skills such as math tutoring, leading activities for small groups, running a laser engraver and 3D printer, drafting new designs in CAD, working with digital electronics components, soldering, and using tools.

- Open to students in 6th through 12th grades
- Students who are at least 14 may apply to be paid for their work. Starting rate is \$12/hour. Students may also earn volunteer hours.
- To apply, visit the webpage at <https://riverbendmath.org/prototyping/> or contact Amanda Serenevy [amanda@riverbendmath.org](mailto:amanda@riverbendmath.org) 574-339-9111
