

Family STEM Workshops and Open House Spring 2024

Program Location: Purdue Polytechnic High School 635 S Lafayette Blvd, South Bend. Enter through the door on Lafayette.

Free STEM activities for school-age students and their families!

Make a light-up medallion, learn to program a micro:bit, run the laser cutter or 3D printer, or try one of our other fun projects!

Stop by to participate in our STEM workshop or to see our Prototyping Team in action!

When to Come

February 24, March 23,

April 27, May 18

Times; Saturday 10am to noon
